What Is Toll Manufacturing

Toll Manufacturing (*Maklon*) or Cut Make Trim (CMT) is manufacture product service for others in accordance with the specifications that have been determined by the customer.

Why Other Company Use Toll Manufacturing Service?

Types Of Toll Manufacturing at PYFA

Original Equipment Manufacturer (OEM)

We as manufacture company will sell the product to the customers while putting the products under customer's branding

Service

We as manufacture company will create the product based on the specification from the customers. The raw materials, packaging, and other things related to the production process are come from the customer, therefore manufacture service is the only one provided
